Food, Beverage and Dairy - Grade Sanitary Tubing

Top Line maintains a large inventory of welded stainless steel tubing to meet your immediate needs. Our warehouse is able to quickly ship tubing in lengths up to 20 feet. Each tubing order is processed promptly and packaged in tri-wall corrugated cartons equipped with wooded ends to protect each piece from damage.

Applications which require only the finest in tubing, with close adherence to tolerances, readily prefer tubing from Top Line. We pride ourselves on providing the finest tubing at a competitive price. Tubing types 304 and 316L are available in sizes from 1/2" OD to 12" OD – produced to ASTM specifications A249, A269, A270 or A778. Other diameters, specifications and lengths are available on special order. Finishes available range from Bright Annealed (mill) to 240 grit mechanical ID and OD and meet all USDA and 3A sanitary standards. Pharmaceutical - Grade Tubing is also available from Top Line. See brochure titled "Pharmaceutical Tubing" for details.
